### Theresa Bradley Spirit Award For Interior Design

Award  
\$2000 Cash Prize

Integrity, courage, kindness, and graciousness were for a time bundled up in a 4'11" spunky lady known as Theresa Ann Marie Pinto Bradley. Her spirit showed itself in her sparkle toward life, her deep love of her family and friends, in her generosity, in her wonderful humorous perspective, and most of all, in her great laugh. Through her humor and her laughter, Terry encouraged us all to live more fully in the moment and to celebrate life as it plays out in the ordinary activities we all know. Family gatherings, work appointments, ball games, sailing, cooking, painting, weeding, washing rocks—these are the moments to be treasured. Terry did that, and in the process of savoring life, she led a lot of us to enjoy life more, to celebrate life more fully and to laugh more.

Terry worked professionally as a manufacturer's representative, servicing the interior design community in Utah. She loved and appreciated excellence in design, and delighted in the use of color, texture and space to enhance the lives of others. In honor of Terry's legacy, we are presenting the tenth annual Theresa Bradley Spirit Award for Interior Design.
